

SAVOY BEDFRAME & HEADBOARD

The bedframe and headboard are shown in Macassar, detailed with a mother-of-pearl inlay.

Many other veneers or liquid metals from our collection are available, with inlays in mother-of-pearl, polished/satin nickel or polished/antique brass.

The headboard is also available to purchase on its own.

We provide superior quality mattress sets tailored to suit our bedframes - please contact us for information.

Divans and mattresses are sold separately.

The Savoy can be made to any size required.
