

## BEDFORD CHEST OF DRAWERS

Shown in Macassar with Noir inlay, the Bedford is available in most of our veneers and finishes. Options are polished/satin nickel or antique/polished brass inlays on drawers and/or sides and inset mirror tops. Further alternatives are leather or contrasting drawer fronts.

The piece works either as bedside cabinets beside a super king size bed or in a small space as a compact chest of drawers.

Shimmer drawer pulls in polished nickel and mother-of-pearl are shown; most pull handles from our collection suit this piece.

Dimensions and number/layout of drawers can be customised.
